(August 11, 2009)

Association of U.S. Postal Lessors, Inc. (hereinafter "AUSPL") hereby moves for late acceptance of its Notice of Intervention. Commission Order No. 244 set July 28, 2009 as the deadline for parties to intervene. AUSPL respectfully requests leave to file its Notice of Intervention out of time. AUSPL was represented at the Prehearing Conference on July 30, 2009, by Mario Pricipe, who testified on behalf of AUSPL, which is a matter of record to which reference is made, as an interested party to participate in the Commission's review of possible closure of postal stations and branches. AUSPL believes that no party will be prejudiced by granting this motion.
